

Nomade Architettura Interior Design Renovate a 1930s Apartment in Milan

September 29, 2016 Sig Nordal, Jr.

Viale Abruzzi Milano is a residential project completed by Nomade Architettura Interior Design in 2016. It is located in Milan, Italy. Viale Abruzzi Milano by Nomade Architettura Interior Design: "A beautiful apartment from the 30's, a great occasion to join the past of the house and the new life brought by the young couple that purchased it. A MIX of classic elements and a bit more contemporary ones. The small..
