

DISCOVERIES OF THE WEEK

Week of March 26, 2018

04/02/2018

Waterbeat Society

Forget everything you've seen and experienced in the gym, especially waterbeat. If this kind of place is usually cold and functional, the Milanese architecture agency **Nomade Architettura** was able to create a space dedicated to sport, very comfy and even a bit arty, with a reception desk in the Californian style and changing rooms inspired by the **Wes Anderson style**... The new era of gyms is on!
