

Zagabria

3. Penthouse in Zagabria
The room begins with a corridor full of wardrobes until it leads into the harmonious bedroom. A palette of light colors between white and beige makes this room a little gem to be experienced.

Zagabria

5. Penthouse in Zagabria

Study of the interior design of this bedroom with view in the capital of Croatia, a contemporary taste that plays on the balance between dry and elegant shapes and materials that do not want to give up the heat. Large spaces and communicating environments transmit serenity and guarantee a good rest.
